THURSDAY EVENING, NOVEMBER 14.

TWO HEADS AND TWO HEARTS .- Mrs. Michael C. Fitzgerald, the wife of a laborer in Wilmington, Del., last Wednesday, gave birth to a child which had two heads and two hearts. It had only one stomach and two arms and two legs. Otherwise all its parts were dual. One head rested on each shoulder, and where the head should have rested there was a round covering of flesh. The heads were both well formed and were covered with hair. The child died soon after birth. Mrs. Fi zgerald died the next day. The birth is termed by physicians "gerogyme," and is a phenomeuon for which they cannot account.

THE SPEED OF STEAMERS -The Marine Conference has adopted an amendment to the rule of the road prescribing the speed of steamers in a fog. The old rule was not abrogated, but amplified, to the effect that a steamer having apparently before her beam the fog signal of a vessel the position of which is not ascertained, shall, so far as the circumstances of the case will admit, stop her engines and then proceed with caution until all danger of collision is over.

MEDICINAL.

#### A VETERAN.

I was wounded in the leg at the battle of Stone River, Dec. 31st. 1862. My blood was poisoned from the effects of the wound, and the leg swelfed to double its natural size, and remained so for many years. The poison extended to my whole system, and I suffered a thousand deaths. Nothing did me any good until I took Swift's Specific, which took the poison out of my system, and enabled me to feel myself a man again. S. S. is the remedy for blood poison.
